

## Roland Biztools<sup>®</sup> Certified R-Wear Solutions

After researching all available technologies, Roland has certified 3 engravers for Premium Rhinestone Apparel Solutions. The system, starting at around \$5,600.00, mates a Roland EGX series engraver, optional R-WearStudio software, Hot-fix rhinestones, Heat transfer press, Engraving stock, Tooling and more. You will be able to produce personalized t-shirts, hats, gym bags, jeans and more.

All components are sold separately by Roland authorized dealers and other vendors. Together, they will transform your business into a one-stop-shop for custom apparel. See below for details!
