

ROLAND MASTERS. FIFTH IN A SERIES.

MIKE & PAUL CHAKLOS
Above and Beyond
Irvine, California

Above and Beyond inflatables fly high above retailers, trade shows, dealerships, sporting events and festivals, adding the visual impact that only a giant, floating 3D sign can give.

To print these larger-than-life ads, Above and Beyond relies on the value, performance and productivity of its AJ-1000.

Serious Horsepower

**INTRODUCING THE ALL NEW ROLAND AJ-1000.
104 INCHES OF PEDAL-TO-THE-METAL PRODUCTIVITY.**

Are you serious about productivity? About color and quality? So are Mike and Paul Chaklos at Above and Beyond, a worldwide supplier of custom advertising inflatables including giant balloons, blimps, banners and more. "If you can imagine it, we can create it," says Paul. "The sky's the limit." To help turn imagination into reality, they rely on the AdvancedJET AJ-1000, the fastest and most advanced grand-format printer in its class.

Designed specifically for the demands of the high-volume print for pay market, the AJ-1000 merges maximum performance, reliability, and productivity in a remarkably easy-to-operate platform. Blazing print speeds up to 968 sqft./hr. Outstanding print quality at up to 104" widths. Automated maintenance. Unattended printing capabilities. Precise media handling. Everything you need to hit the ground — or the sky - running.

No limits, no work-arounds, no wasted time and effort. That's the Roland way. And that's why pros like Above and Beyond are reaching new heights with their Rolands.
