Irvine, California

THE SKY'S NO LIMIT.

PARADE INFLATABLES PRINTED ON A GRAND-FORMAT AJ-1000

PURE PRINT PERFORMANCE™ ON A GRAND SCALE.

Are you serious about productivity? About color and quality? So are we. That's why we designed the AdvancedJET AJ Series specifically for the demands of the high volume print for pay market, merging maximum performance, reliability and productivity. Beautiful, durable graphics up to 104" wide on banner, vinyl and flexible face media including unlined mesh. Blazing print speeds up to 968 sqft./hr. Precise media handling. An innovative automated intelligent maintenance system that saves ink and keeps the printer up and running. Advanced EcoXtreme inks that deliver outstanding ink density and wide color gamut. Rich, saturated output at resolutions up to 720x720 dpi. And best of all, it's backed by Roland's legendary reliability and 2-Year Trouble-Free Warranty. No limits, no work-arounds, no wasted time and effort. That's the Roland way. And that's why serious power users like Above and Beyond are reaching new heights with their Rolands.
