

GRAPHTEC

GRAPHTEC AMERICA, INC.

SAVE THIS SHIPPING CARTON!!! And all of its packaging inserts!

Did you know that nearly 50% of all machines sent to Graphtec for upgrades, calibrations and repairs are received with some type of shipping damage due to improper / poor packaging?

You can guarantee your machine will be shipped safely to Graphtec and back to you again if you use this original carton along with the original foam packaging inserts.

Avoid unnecessary costly repairs — store this shipping carton in a safe place!!

WARRANTY EXTENSION (Get an extra year of warranty—please read)

It is important to register your warranty with Graphtec in order to make sure you receive the full warranty benefits if you have to make a claim:

REGISTER ONLINE AT www.graphtecamerica.com. If you do this within 30 days of the date of your purchase invoice, GRAPHTEC WILL EXTEND YOUR WARRANTY PERIOD FOR ONE YEAR WITHOUT ANY CHARGE TO YOU.** With this registration, you will also be entitled for free technical support over the phone for 6 months. These extra benefits are provided by Graphtec because of your prompt registration.

**Remember the warranty on friction feed mechanism components and accessories is limited in all cases to 1 year.
