EGX-350 | Bringing your ideas to life.

Powered by a 20,000 rpm DC brushless motor, the EGX-350 desktop engraver quickly and easily produces a wide range of popular jobs with crisp text and clear graphics. Create flawless indoor signs, gifts and awards and custom rhinestone apparel.

EGX-350
$5,795 US

EGX-360 | The ultimate gift engraver.

Offering cylindrical and flat engraving, the EGX-360 boosts profits for gift shops, trophy shops and jewelry retailers. The versatile desktop device virtually eliminates the need to outsource jobs, delivering professional results and fast turnaround times. It produces gifts, jewelry, awards, ADA signs and rhinestone decorated apparel.

EGX-360
$17,995 US

EGX-PRO | Power, speed, and innovation built-in.

Power. Size.Speed. EGX PRO engravers have it all. They owe their amazing speed and quality to servo motors and Feed Forward Processing (FFP). Servo motors generate plenty of torque for smooth, fast engraving; while FFP "look ahead" technology anticipates tool path for greater accuracy and energy efficiency.

SUPERCHARGE YOUR PROJECTS WITH POWERFUL ENGRAVING SOFTWARE.

Roland EGX engravers come complete with easy-to-use software and step-by-step tutorials, all designed to help you get the most from your equipment.

EGX-400 $10,495 US
EGX-600 $12,595 US

MORE PROFESSIONALS CHOOSE ROLAND

Roland®

THE WORLD LEADER
IN **ROTARY ENGRAVING** SOLUTIONS

The Roland family of impact printers and rotary engravers offer proven solutions, including fixtures and software to personalize a wide range of trophies, gift items, nametags, jewelry, pet tags, key rings and more. Rhinestone templates can be created for apparel decoration in a snap. Of course, standard way finding signage is trouble-free, and the higher end rotary engravers can even produce ADA compliant signage.

MPX-80 & MPX-70 │ **The Power of Personalization.**

Roland Photo Impact Printers give jewelry stores, mall kiosks and photography studios the power of personalization. The MPX-70 permanently imprints photos into flat items like pendants, dog tags, key chains and Zippo® lighters. The MPX-80 customizes flat and curved objects including pens, cuff links and money clips. Using Roland's advanced Photo Marking System, both devices permanently imprint text and images into acrylic, aluminum, stainless steel, brass, gold, silver, platinum and metallic stickers. They run quietly and leave no mess.

MPX-70 $2,595 US
MPX-80 $3,695 US

EGX-20 │ **Consistent engraving even on uneven surfaces.**

The EGX-20 entry-level desktop device makes engraving easy. Active Surface Tracking ensures consistent, smooth engraving without scratches, even on irregular surfaces. Engrave just about any item, from name tags and medallions to awards and control panels.

EGX-20 $2,595 US

EGX-30A │ **An unbeatable value in 2D engraving.**

Equipped with advanced features, the third generation EGX-30A is cost-effective for both in-house and retail engraving. The desktop device churns out a wide range of custom products such as custom badges, nameplates, gifts and awards. Pair it with Roland R-WearStudio rhinestone design software to produce engraved templates for custom rhinestone-studded T-shirts and gifts.
