

IT'S TIME TO CRANK UP
PRODUCTIVITY
& **CUT COSTS**

SOLJET EJ-640 Large Format Color Printer

Crank up Productivity, Volume and Quality. Cut Costs.

A busy, high-volume print shop needs never-say-die people, and a printer that can deliver quality output at high speeds. Meet the new EJ-640 large format digital printer. With dual staggered print heads and a rigid new industrial design, productivity and quality are built in.

So are big-time savings.

The EJ-640 runs with new Roland DG EJ INK, which is available in 4 or 7 colors and 1-liter cartridges that cost up to 35% lower than the competition. The result? High-volume, low-maintenance printing and bold, exciting colors with higher profit margins.

Unshakable Performance, Even Under Pressure

Demand is high, business is cranking, so everyone and everything has to be clicking. The EJ-640 is your go-to large format digital printer for high quality, volume output of wall and vehicle wraps, posters, banners and indoor and outdoor signs. And with an integrated tri-heater system, advanced media handling, and high-capacity inks, you can spend less time operating the printer and more time making money.

Distinguishing Features

New EJ INK in 1-liter cartridges saves you up to 35% over other printers

Rigid new industrial design and dual staggered print heads deliver high-quality, high-volume printing

Media feed adjuster, heating system and included take-up system keep pace with high-speed production
