

Go from 0 to \$60 in under 10 minutes.

The MPX-60 delivers fast profits and, for a limited time, \$2,000* in supplies.

Watch your profitability roar to life with the Roland MPX-60 driving new customers to your shop or kiosk. Now offer personalized all-occasion accessories, promotional items, and awards... perfect for everyone from hip-hoppers to grandmothers. In just minutes, Roland's innovative photo marking technology enables you to permanently imprint photos, illustrations, logos, and text on pendants, bracelets, cuff links, watches, knives, and even cell phones — virtually any flat surface, from synthetic resin to most types

of metal. No special training necessary and no need for anything more than a countertop. And now, for a limited time, when you purchase and register a new MPX-60, you'll receive a MPX-60 Starter Kit with a resale

value of more than \$2,000: all the materials you need to really start your engines. So shift your business into high gear with today's top-performing photo impact printer. Call 800-542-2307 to get in touch with your local dealer.

The MPX-60 Starter Kit comes complete with enough materials to produce over \$2,000 in finished retail products.
