## WITH THE PURE PRINT PERFORMANCE OF ROLAND INKJETS, YOU'RE ALWAYS READY TO WRAP AND ROLL.

These days, it's all about wraps. From trucks to buses to boats and planes...if it moves, it's a vehicle of expression.

The bolder, the better. And nothing is better at wraps than Roland inkjets. Because these devices were *Born to Wrap!*™ With every Roland, you can count on outstanding photo-realistic print quality, durability, Roland Color Matching System for true spot color matching, superior performance on a wide variety of coated and uncoated media, and best of all, our legendary reliability. Choose from 10 models ranging from the best-selling 30" VersaCAMM to the high-volume 104" AdvancedJET printing at speeds up to 968 sqft/hour. We even have five integrated printer/cutters that produce stunning contour-cut partial wraps and decals. Perfect for pros like Eric Goodwin who were born to wrap.
